PHOTOGRAPHIC COMPETITION 2020 - THEME "PORTRAITS"

After the great success of the previous edition, the 2021 Photo Contest is launched by the Dalmatian Friends Club. The entire proceeds from the sale of the calendar that will be made, net of expenses, will be donated to associations that deal with Dalmatian rescue.

"PORTRAITS" is the theme chosen for this year. The aim of the competition is to tell the various facets of our 4-legged friend through pictures.

The images (there is no limit to the number of images that can be sent) must be sent by 31 August 2020 to the following address: concorsofotograficocad@gmail.com

In order to participate, it is essential to read the Notice of Competition and fill in the relative forms that you will find on the club website by accessing directly from the Home Page menu or our facebook page. For any difficulty, please write to us via the facebook page or at concorsofotograficocad@gmail.com

The 13 winning images will make up the Club's calendar of 2021.
